Client Remks: 6591 Ironwood Road offers a well-located industrial facility in the established Goldmeadow/Streetsville node of Mississauga. The building features 3,000 AMP power, dual load shipping, and LED lighting throughout the warehouse. The site provides opportunity for secured outside storage and benefits from immediate access to Highways 401, 403, and 407. A public transit stop is located directly in front of the property, ensuring excellent accessibility for staff and visitors. Ideal solution for manufacturing and distribution users requiring heavy power and flexible operational space.
